

How can we get you there?

The NEXTransit Team has been collecting input since the summer of 2020 on where you want (or need) transit to go.

But we still need your input!

Plan Objectives:

Reflect riders' choices

Respond to current & future needs

Prioritize programs and projects

1.
2.
3.

Communities need accessible and convenient mobility choices. Port Authority's NEXTransit: Long Range Transportation Plan will ensure Allegheny County has equitable, accessible, efficient, and sustainable transit through 2045.
