

HAPPY HOUR TO HELP HOMELESSNESS

A Sip, Tip and Chip-In Fundraiser

Please join the Gamma Lambda Sigma Chapter of Phi Beta Sigma Fraternity, Inc. as we come together to raise much-needed funds in the fight against homelessness.

All proceeds benefit Operation Safety Net.

September 30, 2016 • 6:00 to 9:00 pm
at Repair the World Workshop
6022 Broad St, Pittsburgh, PA 15206
Complimentary Beverage with \$10 Donation

In 1992, Dr. Jim Winters began providing medical care to Pittsburgh's unsheltered homeless population. He initially dressed as a homeless person and began to make nighttime street rounds in the alleys and under the bridges of the city. From this initial outreach, other clinical volunteers joined in and Operation Safety Net was born. Today, Operation Safety Net is recognized as one of nation's first, targeted, full-time street medicine programs.
