# Three Rivers BRINGING BIONEERS

A project of The Pittsburgh Urban Ecology Collaborative

## Join GTECH Strategies and Steel City Biofuels for the first Bioneers Monday of 2009!

MONDAY, FEBRUARY 23. 6pm.

214 N. Lexington St., Point Breeze, Pittsburgh 15208

Come be inspired by the words of Bioneer Speaker and activist **Thomas Clayton-Müller**. The connections between global and local environmental and social issues are real, and this young leader links them beautifully!
