

# *HIGHLAND PARK YARD SALE*

Sunday, June 7<sup>th</sup>, 9 A.M.

Are you looking to clear some space in the attic, basement or closets? Consider participating in the popular Great Highland Park Yard Sale. This year it will be held in conjunction with the annual Bryant Street Festival. We can expect both events to be especially well-attended.

Please see the flip side for information and a registration form.

The Great Highland Park Yard Sale is coordinated by the Highland Park Community Council. As in years past, we can expect hundreds of bargain hunters to visit the community. It is easy to participate. Simply fill out the form provided below. With the exception of your address and the items you wish to sell, all information is confidential. Mail this form and \$12 (checks made out to HPCC) to the address listed at the bottom of the page. Your payment covers advertising and printing costs for maps, signs and address/sale item listings. Note that no form will be accepted after May 30<sup>th</sup>. Don't forget to pick up your signs and balloons the Saturday (June 6<sup>th</sup>) before the yard sale on the front porch of the address provided below. Please print legibly to minimize errors.
