

# School Choice Fair

*Parents and community leaders:  
Learn the ABC's on local schools,  
from kindergarten to 12th grade*

**Does your child deserve the best education possible?  
Do you need help finding the school that will best suit your child's needs?  
Would you like to bring school choice information to *your* community?**

Application deadlines for the 2010-2011 academic year are approaching! If parents don't choose schools for their children, someone else will make the choice... and it might not be the best fit. Come meet representatives from local schools (public, private, parochial, and charter) to discuss the mission of their schools, academic achievement levels, classroom size, school safety, after-school programs, transportation issues, financial aid, etc. Plus, find out how to replicate this event in *your* community.

**Tuesday, November 10, 2009, 4 to 6 p.m.
