

COMMUNITY HALLOWEEN

POTLUCK

WHERE?

5615 Stanton Avenue

(The one with 'PULSE' signs in the windows)

WHEN?

Wednesday, October 28th at 7:00pm

WHY?

The eight young people who live at this address are a part of a year-long volunteer program called Pittsburgh Urban Leadership and Service Experience (PULSE). We want to get to know you, our neighbors, better! We also want to give you a chance to get to know us, and PULSE a little bit better too.

SHOULD I BRING SOMETHING?

Bringing a dish is not required, but if you want to bring something it would be appreciated. Costumes are also optional 😊.

(kids activities will be available so bring the family!)

Please RSVP by contacting Kristen at khochreiter@pulsepittsburgh.org or call/text Taylor at 908-310-4160 and let us know if you will be bringing a dish!
