FOR IMMEDIATE RELEASE

Date: June 22, 2015

PWSA AND A PRIVATE CONTRACTOR WILL REPLACE THREE WATER VALVES ON PENN AVENUE IN THE EAST END

Pittsburgh, PA - The Pittsburgh Water and Sewer Authority (PWSA) will replace one 20-inch water valve and a private contractor will replace two 20-inch water valves on Penn Avenue in the East End.

The PWSA contractor and the private contractor will be working TONIGHT, Monday, June 22, 2015 from 7:00 pm until Tuesday morning, June 23, 2015 at 9:00 am (14 hours overnight).

The following customers will have NO WATER service during that time and are being notified in person and by robo call:

- Penn Avenue (Station Street - Bakery Square Boulevard)
- East Liberty Boulevard (Penn Avenue - East Busway)

Traffic control personnel will be on-site to maintain traffic.

Any customer who needs additional information should call PWSA Emergency Dispatch 24/7 at 412.255.2423.

The Pittsburgh Water and Sewer Authority (PWSA) provides water and sewer services to more than 300,000 consumers throughout the City of Pittsburgh and surrounding areas.
