

LET YOUR VOICES RING WITH ONCE A MONTH BIRTH CONTROL

The **Center For Family Planning Research** is conducting a clinical research study for an investigational contraceptive ring and looking for healthy female participants.

Participation includes 8 visits over 13 months at Magee-Womens Hospital, several phone calls, & study contraception at no cost to participants. Eligible participants may be compensated up to \$500 for their participation.

You may be eligible for this research study if you are a woman:

- 18-35 years of age
- In good general health
- Have a history of regular periods
- In need of birth control for pregnancy prevention

To learn more & to find out if you're eligible please call the
Center for Family Planning Research at **412-641-5496**
