

HIGHLAND PARK YARD SALE

Sunday, June 6th, 9 A.M.

Want to clear some space in the attic, basement or closet? Consider participating in the annual Great Highland Park Yard Sale. It will be held in conjunction with the Bryant Street Festival. Expect both events to be well attended.

The Highland Park Community Council coordinates the Great Highland Park Yard Sale. As in years past, we can expect hundreds of bargain hunters to visit the community. It is easy to participate. Simply fill out the form provided below. With the exception of your address and the items you wish to sell, all information is confidential. Mail this form and \$15 (checks made out to HPCC) to Paul Miller, 5714 Elgin Street, Pittsburgh, PA 15206. Your payment covers advertising and printing costs for maps, signs and address/sale item listings. Note that no form will be accepted after May 30th. Don't forget to pick up your signs and balloons on Saturday (June 5th) before the yard sale on the front porch of the address above. Please print legibly to minimize errors.
