It's time to continue the celebration or mourn the loss of another great in Hollywood. All for a "winning" cause.

Not sure if Mr. Sheen will be alive by April 30. But who cares? He made my last days of winter entertaining -- and I now have the Tiger Blood to prove it.

Attire: bowling shirts, Goddess-wear, Tiger blood jeans, etc. I don't care.

Bring something winning to eat and drink. :-)

And, because I have signed up to be one of Cystic Fibrosis Foundation's 50 Finest, I politely ask that attendees make a small donation. :-)
