

## Highland Park/St. Andrew's Holiday Collection for Hello Neighbor

Hello Neighbor serves a constant stream of newly arriving refugee and immigrant families, and continues to work with them as they begin their lives in the Pittsburgh area.

This holiday season — **through Sunday, January 1** — the Highland Park neighborhood and St. Andrew's are collecting items that Hello Neighbor has identified as **pressing needs**. The **greatest needs** are for **large pots and blenders**.

- **Full-sized frying pans, soup pots, and saucepans**
- **Blenders**
- Bath and hand towels
- Pillows
- Twin bedding (sheets and comforters) - in packaging
- Blankets - all sizes but King
- Covid-19 test kits
- Masks (KN-95 or N-95 preferred)

Please bring **NEW** items to the **bin on the porch of the parish house** at St. Andrew's.

*We thank you for making Pittsburgh a welcoming place for our new neighbors!*
