

Call if you CARE

Do you provide care for someone in your life?

The University of Pittsburgh is looking for individuals who provide care to others to participate in a research study

Participants will:

- **Develop skills to effectively provide care.**
- **Receive 10 in-home sessions with a rehabilitation professional.**
- **Earn up to \$60 for being in the study. There is no cost to you.**

**For more information,
please call Kate Golias
